STEVE ROSS

When I seen her that day,
I didn't know what to say,
I'm speechless

When she's walking by my side,
And words just can't describe,
I'm speechless

CHORUS:

I'M speechless in the morning
I'm speechless in the night
I don't want to talk to her
I just want to hold her tight.

When I see her when she walks,
I never want to talk.

I'm speechless

My love I can not hide it,
I wish I could verbalize it,

I'M speechless

CHORUS

When she's walking down the street,
I never make a peep,

I'm speechless

When ever she comes around,
I never make a sound,

I'm speechless.
